

BAB 7 / CHAPTER 7

BAHAGIAN TEKNOLOGI MAKLUMAT INFORMATION TECHNOLOGY DIVISION

Bahagian Teknologi Maklumat telah diberi tanggungjawab untuk menyediakan infrastruktur dan perkhidmatan teknologi & komunikasi Maklumat (ICT) kepada Jabatan Alam Sekitar (JAS). Ini termasuklah melaksanakan perolehan perkakasan, perisian dan perkhidmatan ICT, merancang, membangun, melaksana dan menyelenggara sistem-sistem aplikasi Jabatan serta menyokong pelaksanaan aplikasi-aplikasi Elektronik Kerajaan (MyEG) di Jabatan, menyedia, memantau dan menyelenggara perkhidmatan rangkaian komunikasi Jabatan, memantau dan mengawal selia keselamatan ICT di seluruh Jabatan selaras dengan dasar keselamatan ICT JAS, menyediakan latihan-latihan ICT, serta menyediakan khidmat nasihat dan sokongan teknikal ICT kepada para pengguna di Jabatan.

Portal RAKAN ALAM SEKITAR (Portal RAS)

Portal Rakan Alam Sekitar (RAS) dibina bertujuan mempromosi dan berkongsi maklumat berkaitan aktiviti-aktiviti di bawah program Rakan Alam Sekitar kepada orang awam.

Melalui Portal RAS, segmen blog disediakan bagi bertujuan untuk menghebahkan maklumat terkini dan aktiviti RAS yang dijalankan di setiap kawasan. Portal RAS juga berperanan sebagai rangkaian komunikasi di mana idea dan pendapat dikongsi di antara agensi kerajaan dan masyarakat untuk meningkatkan kesedaran alam sekitar.

Portal RAS ini juga boleh diakses dari telefon mudah alih dan pengguna Personal Digital Assistant (PDA). Pendaftaran sebagai ahli RAS boleh dibuat secara on-line melalui portal ini: www.doe.gov.my/ras

The Information Technology Division is responsible to provide information & communication Technology (ICT) infrastructure and services for the Department of Environment (DOE). This includes the procurement of hardware, software and ICT services; planning, developing, implementing and maintaining applications system within the department as well as supporting the implementation of the Electronic Government (MyEG) application systems at the department, providing, monitoring and maintaining the department's network and communication services, monitoring and regulating the ICT security within the entire department in accordance to the DOE ICT Security Policy, providing ICT training, as well as providing ICT technical advices and support to the users of the Department.

RAKAN ALAM SEKITAR (RAS) Portal

Rakan Alam Sekitar (RAS) Portal is designed to promote and share information to the public on activities organized under RAS programme.

The RAS Portal, offers a blog segment which updates readers on the latest news and information on activities carried out in the respective region. RAS Portal also serves as a platform of communication network where ideas and opinions on environmental issues are shared among government agencies and the community to increase environmental awareness.

RAS Portal is also accessible to mobile phone and Personal Digital Assistant (PDA) users. Registration to become a RAS member can be done on-line via this portal: www.doe.gov.my/ras

LAPORAN BULANAN KAWALAN PELEPASAN EFFLUENT ATAU MIXED EFFLUENT INDUSTRI SECARA ONLINE

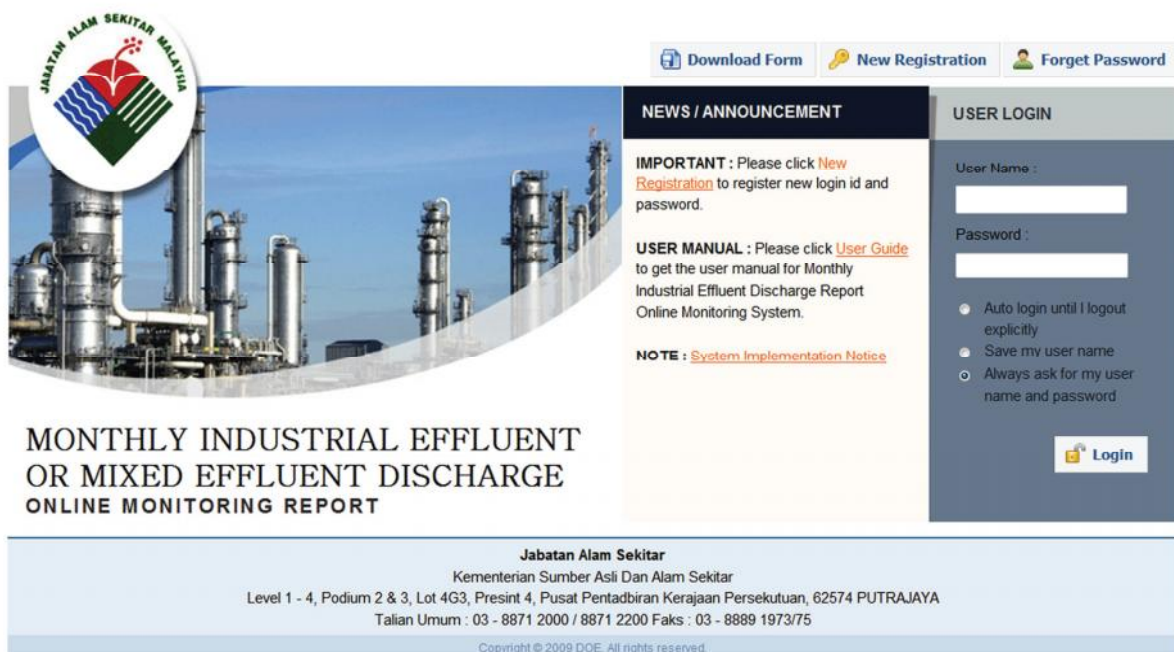

Sistem Kawalan Laporan Bulanan Pelepasan Efluen atau *Mixed Effluent* secara online telah mula dibangunkan pada bulan November 2009.

Sistem ini merupakan aplikasi berasaskan web yang membolehkan premis-premis kilang menghantar laporan bulanan pelepasan efluen dan *mixed effluent* berkala kepada JAS secara online mengikut Peraturan-Peraturan Kualiti Alam Sekeliling (Kumbahan), 2009 dan Peraturan-Peraturan Kualiti Alam Sekeliling (Efluen Perindustrian), 2009.

MONTHLY INDUSTRIAL EFFLUENT OR MIXED EFFLUENT DISCHARGE ONLINE MONITORING REPORT

The development of Monthly Industrial Effluent or Mixed Effluent Discharge Online Monitoring Report has started sometime in the end of November 2009.

This system is a web-based application specially developed to allow online submission of industrial effluent or mixed effluent discharge monthly report from factory premises to Department of Environment (DOE) based on Environmental Quality (Sewage) Regulations, 2009 and Environmental Quality (Industrial Effluent) Regulations, 2009.

The screenshot displays the website interface for the Monthly Industrial Effluent or Mixed Effluent Discharge Online Monitoring Report. At the top left is the logo of Jabatan Alam Sekitar Malaysia. Below the logo is a photograph of an industrial facility. The main content area is divided into two columns. The left column, titled 'NEWS / ANNOUNCEMENT', contains three sections: 'IMPORTANT' with a link to 'New Registration', 'USER MANUAL' with a link to 'User Guide', and 'NOTE' with a link to 'System Implementation Notice'. The right column, titled 'USER LOGIN', contains a 'User Name' field, a 'Password' field, three radio button options for login preferences, and a 'Login' button. At the top right of the interface are three links: 'Download Form', 'New Registration', and 'Forget Password'. At the bottom of the page, the contact information for Jabatan Alam Sekitar is provided, including the address, phone number, and fax number. A copyright notice for 2009 DOE is also present.
