

ACKNOWLEDGMENTS

The Organizing Committee of the Miami International Symposium on the Biosphere gratefully acknowledges the support, help and cooperation of the International Association for Hydrogen Energy and the Department of Mechanical Engineering, University of Miami.

We wish to extend our sincere appreciation to the Keynote Speaker, Dr. Nicholas Polunin of the Foundation for Environmental Conservation, Geneva, Switzerland, and to the Banquet Speaker, Dr. Craig B. Davis, World Council for the Biosphere and the International Council for Environmental Education, Ames, Iowa.

Special thanks are due to our authors and lecturers, who have provided the substance of the Symposium as published in the present volume of proceedings.

And last but not least, our debt of gratitude is owed to the session chairpersons for the organization and execution of the technical sessions.
